

LABEL TEMPLATE

INSTRUCTIONS:

1. Type data on each label using Helvetica 12pt and print.
2. DO NOT CUT OUT LABELS AS SECOND STEP.
3. Instead, trim down label sheet leaving generous area around label(s).
4. Peel off back of Perfect Mount exposing sticky side and affix sheet of labels, using pressure to adhere.
5. Line up hatch marks under straight-edge and cut labels.
6. Formatting example below.
