**Goal**

The intention of an MCAD Junior Review is to provide advisory feedback from a committee of MCAD faculty according to guidelines distributed by Academic affairs. This review provides both students and faculty a forum for presentation, discussion, and interim evaluation of a Junior’s work in, and by, a student’s Major Department.

**Candidacy, Timing, and Duration**

Students are notified of their candidacy for a Junior Review when they accrue 60 credits. Reviews happen in the Spring and Fall of each academic year. Reviews are 30 minutes in length. Extraordinarily, a student may petition their Department Chair to postpone their review until the following semester. Requests to defer must be submitted no later than the sign up deadline to the Department Chair. Deferment will not be granted once this deadline has past.

**General Requirement**

The passing of the Junior Review will be required as a “check off” on your credit evaluation card. Students will not be permitted to proceed to advanced level classes until they have passed their Junior Review. All students must participate in and pass their Junior Review before graduation. Students who do not show up for their scheduled review will automatically fail.

If you fail your review, you have an opportunity to pass the following semester. Students who fail their review are encouraged to work with their academic advisors to prepare for a subsequent review. It should be noted that most students pass their Junior Review.

**Required Information Meeting**

There will be a required informational meeting scheduled prior to each department's Junior Reviews. Academic Affairs will distribute dates and times in students’ Junior Review information packet. All students who have their Junior Review that semester are expected to attend.

**Prior to your Junior Review You Must:**

1. Sign up for your ‘intent to participate’ outside of Academic Affairs – MAIN Room 348.
2. If your major requires, sign up for an exhibition space with Academic Services – MAIN Room 105
3. Reserve any media equipment needed for your exhibition.
4. Review all guidelines, checklists, and requirements.
5. Upload documentation to the Junior Review server
6. It is strongly suggested that students meet with their advisor prior to completing their Junior Review.

**Notification**

Students will be notified in writing of the outcome of their review no later than the Monday before Advising Day of each semester.

*Students who are planning to study abroad in their first semester of Junior Year are encouraged to complete their Junior Review prior to applying for the program. Please speak with your Department Chair for special arrangement.*
