

# Aerial Lift Agreement – Attachment “A”

## Minneapolis College of Art & Design

I have watched the aerial lift instructional safety video, completed the examination, and reviewed the safety manual located on the lift. I agree to follow all inspections, safety rules and operation rules as listed in the manuals. I also agree that no one other than authorized operators are allowed onto the lift or be allowed to operate the lift.

Note: A Contractors employee with prior aerial lift training needs to sign this form (stating the Contractor company name) attesting that they have received training.

Operator’s Name & Signature:	Date
Occupational Health & Safety approval:	Date

Contracting Company: Operator attesting to prior aerial lift training, Name and Signature :	Date
--	------

- Office Notes:
1. The instructional video is located in the video training cabinet in dispatch.
  2. When a faculty, staff, contractor or student has watched the video, completed the examination, have them sign and date this form.
  3. Place the signed form into the Public Safety Administrative Coordinators mailbox and he/she will forward to the Occupational Health & Safety Coordinator for signature authority and filing.
  4. The Public Safety Administrative Coordinator will place the authorized operators name onto the list authorizing the release of the lift key from dispatch when requested.
