

MFA Van Derlip Award 2015

Dear MCAD Graduate,

With income from an endowment fund established by Ethel Morrison Van Derlip in 1923, MCAD established the Ethel Morrison Van Derlip Traveling Scholarship. This award is to be given to a student who completed his or her formal training and displayed "high personal character, diligence and application in work, and artistic ability of exceptional promise."

This year **one Van Derlip Award, in the amount of \$2,500**, will be given to **one MCAD MFA student**. Recipients will have exhibited outstanding creative ability. Among the criteria considered will be: originality of ideas, imaginative problem-solving, and skillful execution. The jury will be made up of experts from the field, who will evaluate all applications to determine the winners. It is our hope that the recipients of these awards will use the scholarships for travel and study that will benefit their careers as professional artists and designers.
