

Spray Booth Access Form

To access the spray booth, please fill out this form and email it to 3dshop@mcad.edu at least 24 hours in advance of your appointment.

Please note...

- The spray booth is open to students that are currently taking or have completed 3D foundations.
- Shop staff request a discussion of project scope and material usage prior to approval of spray booth use. Shop staff reserve the right to offer alternative methods or postpone projects depending on scope.
- Spray booth access is contingent upon respectful use of the space and consideration towards other students work. Please put down newspaper when working and do not paint on walls, floor, shelves or carts. Please clean up and remove all materials including newspaper and empty paint containers after working. Please be aware of proximity of other projects and avoid overspraying onto other work. Shop staff can advise on best practices.
- The spray booth is open during shop hours – 8AM-9PM Monday through Thursday, 8AM-6PM Friday, 12PM-5PM Saturday and Sunday.
