Tax Return Transcript and a Tax Account Transcript that includes a message such as “no record of return filed” or “no transcript on file” is acceptable documentation for verification of nonfiling.

Non Tax filers can request an IRS Verification of Non-filing Letter, free of charge, from the IRS in one of three ways:

1. Online Request

Available at www.irs.gov/individuals/get-transcript.

Note: This is typically not available if you have never filed taxes before in prior years. If this is the case, please use the telephone or paper request process detailed below.

To create an account, you will need your Social Security Number or Individual Tax Identification Number, email address, birthdate, mailing address from latest tax return, tax filing status, account number for loan or credit card associated with your name, and mobile phone associated with your name.
- Select “**Verification of Non-filing Letter**” and in the Tax Year field, select “**2020**”.
