GUIDELINES FOR SUBMISSION

Made at MCAD is an annual juried all-student exhibition. The exhibition is open to all current MCAD students (all degrees and all divisions). Work submitted must have been made while applicant was enrolled as a student at MCAD. Any medium is acceptable, including time-based works (e.g. film, video, websites, and animation).

Each student can submit up to three individual/collaborative works or one series of up to 8 pieces. (A series is considered a body of work that is supposed to be viewed in totality. The jurors may not be asked to choose one piece from the series.) There is no size limit, but students are advised to contact the gallery in advance if submitting an excessively large or difficult to install work. Artwork does not need to be framed. The MCAD Gallery can work with students to hang work with glass, tape, and/ or magnets if desired. If submitting installation work, submit documentation of the work that best represents your concept on a CD or USB. Samples of film, video, and animation should be 2 minutes in length, and if selected work will need to be formatted as a continuous loop. No artist statement necessary.

To submit, bring your work to the Main Gallery on Tuesday, March 8, 9:00-5:00 p.m. **Fill out and attach the identification tags to the back of each work.** Artists with works accepted for the exhibition will be notified via email no later than 5:00 p.m. on Thursday, March 10. Work not accepted must be picked up from the Main Gallery no later than Saturday, March 12. If not retrieved, the gallery cannot be responsible for the safekeeping of the works.
