INSTRUCTIONS

2 business day turnaround, we do not accept rush orders

Bulk orders (5+ bound books, 10+ booklets) subject to 5+ business day turnaround

1. Create a [Book/booklet file](#) in InDesign (PDF files will be accepted on case by case basis)
2. [Package your InDesign file](#)
3. Compress package Folder into .zip file
- *4. Optional: create separate cover file, package, and compress (required for half-canadian and perfect binding)
5. Review checklist below to assure speedy and error-free service
6. Complete this order form including as much detail as possible, use Adobe Acrobat for best results
7. Email completed order form, with all [Print Ready](#) .zip files, to sbureau@mcad.edu
- *8. Optional: drop off other materials - bring to SB during business hours, or leave on pick up shelf after hours
(Please note in email where/when you dropped off, clearly mark materials with your name)
 - preprinted pages (from self serve printing or otherwise)
 - blank paper/scrap paper/filler
 - alternative approved materials
 - mock up or proof copy of final book
 - paper for cover (please include extra sheets for alignment), required for oversize (>13x19")

Book printing/binding checklist:

Book file was created in InDesign (HOT TIP - use [our template](#) as a guide!)

Document includes minimum .25" bleeds

Document respects minimum .25" safe area

Page count is multiples of 2 (multiples of 4 required for saddle stitch)

Document starts on page 1, setup as facing pages (reader spreads not imposed printer spreads)

Cover pages included in main document (*for saddle-stitch, twin loop wire, and coil binding)

[Package your InDesign file\(s\)](#)

Compress folder(s) .zip files

PERFECT BINDING OR HALF-CANADIAN BINDING:

Separate cover file is included (use [our templates](#) as guides!)

Cover file includes ample bleeds and safe area

Spine width is accounted for in document

Spine is clearly indicated in file (use small lines in bleed area to designate spine area)

OPTIONAL:

Cover flaps or foldouts, indicate in bleed area where folds occur

Page ranges on different paper stocks, clearly specify in notes

Inserts with different page sizes (foldouts, mini books, etc), include in separate document

Mock-up or clear diagram of final layout included

Meet with SB staff in person to communicate additional details

- ***We will cancel your order if there is missing information, your files are incorrect, or otherwise unprintable***
- ***Please keep an eye on your MCAD email***, we will contact you there if we have questions about your order
- ***.25" Bleeds are required for books to accommodate trimming, your order may be rejected if non-compliant***
- Upon completion, we will charge your PaperCut account and email you when available for pick up
- **Turnaround begins when we receive print ready files and completed order form**
- See Knowledgebase and sample booklets for [Paper Types we have available](#)
- ***If you have never used InDesign to create a book, please make an appointment with the Learning Center, or ask your instructor for guidance prior to submitting any book orders for print***
- We encourage you to [set up an appointment](#) with our staff to discuss your book project
