

BFA Declaration of Major form

Student Affairs Office

BFA degree-seeking students must declare a major by the end of their third semester in attendance at MCAD. A faculty advisor will be assigned to you based on your major. A brief meeting with the department chair in your chosen major is required. Submit this form to the Student Affairs Office upon completion.

Junior Reviews: After completing 60 credits every BFA student is required to take a Junior Review. The Review is an opportunity for students to present their work to a group of faculty for discussion and direction. Students will not be permitted to take advanced level courses in their major until they have passed their Junior Review.
