Fair Use Copy/Scan Attribution Form   mcadsb service bureau

The Service Bureau will not make any copies, scans, or prints directly from books or other print publications. Instructors submitting material for copying or scanning are responsible for evaluating on a case-by-case basis whether the use of a copyrighted work falls under Fair Use. This form is intended to assure that you examine all factors surrounding the circumstances of your proposed use. If you feel your use constitues Fair Use please completely fill in and sign this form.

	Favors Fair Use	*Weights Against Fair Use*
Purpose		
	-Instruction, course websites (access restricted) -Scholarly research, personal use, study -Student use to complete assignment -Transformative use, creates a new work/new purpose -Statutory uses, criticism, comment, news reporting	-Commercial Activity -No attribution to original authors -Profiting from use -For publication -For public distribution
Nature		
	-Published Work -Factual Work -Non-fiction	-Unpublished Work -Creative, imaginative, artistic work -Consumable work (like a workbook)
Amount		
	-Small excerpt, extract, or clip -Only portion needed for favored education purpose	-Entire work -Portion used is "heart of work"
Market Effect		
	-One or few copies made -Use stimulates market for original work -No impact on market for original work -No licensing mechanism in place	-Impairs market for original work -Repeated use, when market exists for work -Licensing mechanism for use is available -Multiple copies, not for educational purpose
