MINNEAPOLIS COLLEGE  
OF ART AND DESIGN

## Auditorium 150

Auditorium 150 is a 264 seat venue appropriate for large attendance lectures, panels, and screenings. The room's podium lectern is fully wired for laptop AV and network connections and contains a permanent gooseneck podium microphone.

The auditorium's AV includes Blu-ray and DVD players, digital media players, 7.1 Surround sound speaker system, and HD projection to a 250" (diagonal) screen. Event streaming and/or video recording services is possible from the control booth's networked camera system. The lighting is highly customizable with overhead house lights, zoned can lights, podium spotlight, and wall sconce lights - all independently dimmable.

Aud 150 features a variety of microphone options including up to four concurrent wireless microphones in combinations of handheld and lavalier - for audience questions, multiple presenters, etc., and up to four wired handheld microphones at the front-of-house for panel discussions.
