

Summer Term and Fall Semester 2024 MCAD Advising and Registration Guide

Course schedules are now available on [myMCAD](#)! Log in to [my.mcad.edu](#), click on the Registration tab and select the Generate Course Schedule link to view the Summer Term and Fall Semester 2024 course schedules.

Please see pages 5-7 of this guide for information about courses applicable to minors and other course opportunities available next semester.

Before Advising Day

- **Watch your MCAD email** for an email from Student Affairs containing the Summer and Fall 2024 advising and registration schedule and a link to online registration instructions.
- **Prepare for advising and registration. Log in to myMCAD and check the following items:**
 - On the Student Accounts tab, pay any overdue balances. You will not be able to register if there is a hold on your account due to an unpaid balance.
 - On the Academic Advising tab, under My Degree Progress, locate and review your degree audit **before your advising appointment**. If you have any questions or notice discrepancies, contact the [Records Office](#) or the [Student Affairs Office](#).
- Advising appointments and registration will occur separately. Meeting with an advisor and obtaining clearance to register are required steps in the registration process. Students will not be able to register without an advisor's clearance.
- **Declared BFA and BS sophomores, juniors, and seniors:**
 - Your scheduled advising time for **Advising Day (April 9, 2024)** will be posted on the Academic Advising tab of [myMCAD](#) by **April 1, 2024**.
 - Your advising appointment will occur as posted on myMCAD, with the potential of meeting remotely, at your scheduled time. Please be prompt, and plan for your appointment in advance by reviewing your degree audit and identifying your course preferences for next semester.
 - Declared BFA and BS sophomores, juniors, and seniors will be advised and will later register online at scheduled times on Advising Day.
 - If you cannot meet with your advisor at the assigned time, contact your advisor and arrange a new meeting to take place **before April 9, 2024**. You must have your advisor's clearance in order to register.
- **All first-year BFA and BS students (0-29 earned credits) and all undeclared sophomores will have group advising meetings with Tannah Frawley, April**

1 – April 15. Please see the Intranet posting about signing up for an appointment, and contact Tannah at tfrawley@mcad.edu with any questions about your advising appointment.

How to Interpret Course Listings in the Course Schedule

AH 1701 - Introduction to Art and Design - 3 Credit(s)

The objective of this course is to familiarize students with the major stylistic, thematic, cultural, and historical transformations in art history from prehistoric times to the nineteenth century. This course helps students develop critical tools for the interpretation and understanding of the meaning and function of art objects, architecture, and design artifacts within their original historical contexts. Class sessions consist primarily of lecture with some discussion. Students take in-class examinations and complete short essay assignments.

Arrow 1 points to the heading which contains the course number, title, and number of credits.

Arrow 2 points to the course description. Any prerequisites will be specifically listed at the end of the paragraph.

Arrow 3 points to the row containing the section number, start and end dates, day(s) of the week, start and end times, room number and/or online or HyFlex, and faculty name.

To search for online or HyFlex courses in myMCAD:

On the Registration tab, go to the Course Search link.

Set the Term menu to the appropriate term, and Division to the appropriate division.

In the Campus menu, select MCAD.

In the Building menu, select Online Learning.

Click Search and review the search results.

How to Interpret Room Numbers in the Course Schedule

HyFlex

Room number: HF

These courses will have a room number of HF **plus** an on-campus room number. Courses taught on campus in a room outfitted with HyFlex technology allow students to attend any class session in person or remotely. Students can engage in all coursework regardless of how they choose to attend class.

Online

Room number: OLA or OLS

OLA: Asynchronous online: Class is delivered online with no/minimal synchronous meeting times.

OLS: Synchronous online: Class is held online, and everyone attends at a specified time.

Times for synchronous courses are in Central standard/daylight time.

On-Campus

Room number of an on-campus space

Will have a campus room number only. Scheduled to meet on campus.

Fall Semester 2024 Continuing Education Courses

BFA students may fulfill credits of their degree requirements by taking courses through Continuing Education for credit with advisor approval.

During Fall and Spring semesters, during evening hours and Saturdays, or online, full-time students may register tuition-free for no more than two one-credit or two-credit Continuing Education classes for credit per semester. (Total enrollment is not to exceed 18 credits.) This discount is only available if the class is taken for credit and on a space-available basis.

Continuing Education also offers a wide selection of non-credit workshops and short courses.

Please see [Continuing Education](#) for details about all Continuing Education courses that will be offered during Fall Semester 2024. The full list will be available in July 2024. For additional registration information, please contact the [Records Office](#).

Registration Information

Summer 2024 registration for degree-seeking graduate students begins April 1 and for degree-seeking undergraduate students begins April 9, concurrent with Fall 2024 registration. All tuition for summer classes must be paid by May 24, 2024. After May 24, students wishing to add summer credits to their schedules must pre-pay the tuition, plus the late fee of \$250.00, and the Records Office will obtain payment confirmation from Student Accounts at the time of registration. For all other information regarding advising and registration procedures, see the Advising and Registration section at the beginning of this guide.

Closed Classes and Wait Lists

If a class reaches the enrollment limit during registration, it closes. You may either select an alternate course or place yourself on a wait list. If space becomes available during registration, waitlisted students may be added to the class. Waitlists will be dropped after registration and students will be asked to register for courses with available seats. If you are interested in a full class and space has not become available by May 17, you may attempt to add the class during the five-day Add/Drop period (**June 3 – June 7, 2024**).

The Add/Drop Period

The Add/Drop period consists of the first five class days of the semester: **June 3 – June 7, 2024**. Students are required to attend the first day of class. Faculty have the option of dropping a student who fails to attend the first class session. All internship and/or independent study contracts, reduced or extended credit petitions, audit forms and Add/Drop forms are due (with all required signatures) by 5:00 p.m. on June 7.

First Day of Attendance

It is particularly important that students attend the first meeting of all courses whether online, in-person, or HyFlex; failing to attend the first class can impact your enrollment in the course and can have consequences for financial aid.

Add/Drop Policy for one or two-credit classes

You can add or drop a one or two-credit class during the first week of the class. You cannot change a one or two-credit class to Audit after the regular Add/Drop period.

Tuition

Tuition for undergraduate courses for Summer 2024 is \$1866.00 per credit. Non-credit tuition and tuition for special programs may vary; please see individual course listings for details. Payment of tuition is due May 24, 2024. MCAD accepts payment in the following forms: cash, money order, personal check, VISA, MasterCard, or Discover. Any Summer 2024 tuition paid after the May 24 deadline is subject to a \$250.00 late fee. **No refunds will be issued to students after the Add/Drop period.**

Costs of Course Materials

Students should budget to spend approximately \$300 per course for related materials, on average. Required materials will be listed on myMCAD within the registration information for courses, where possible. In selecting required course materials, MCAD faculty strive to select the best value materials for the lowest cost, eliminate unnecessary course materials, and allow for the maximum flexibility for student purchase options.

Withdrawals/Refunds

From June 8 to July 19, 2024, you can withdraw from a class or classes without impacting your GPA. You will receive a notation of "W" on your transcript for the class and be charged a \$30 processing fee. You may not add credits or courses after the Add/Drop period. If you wish to withdraw from all classes, you must contact Jen Zuccola, Vice President of Student Affairs, and complete a Notification of Student Withdrawal form. June 7 is the last day to qualify for a tuition refund for all credits dropped. Any course dropped after June 7 will count as a course withdrawal, and refunds for reducing credits will follow the guidelines listed below:

Return of Tuition Formula: MCAD has adopted the Federal Return of Title IV Aid Formula mandated by the Reauthorization of Higher Education Act of 1998 as its tuition return policy. This formula is applicable to any student who withdraws from all classes on or before July 19, 2024 for summer term. Students who withdraw after this date will not be eligible for a reduction of charges. The percentage of reduction a student may be eligible to receive is based on the following formula: Days remaining in the term divided by total days in the term = percentage of tuition reduction.

Refund Policy for Students Who Withdraw: The date a student files a Notification of Student Withdrawal form determines the amount of tuition and fees that will be reduced. The Business Office calculates and determines all reduction amounts including financial aid, which will be canceled or prorated as required by the grant, loan, or scholarship program involved. All refund amounts are subject to deductions for money owed to the College. For housing refunds, see the Housing Contract. Refunds are paid by check according to the Accounts Payable schedule. Any questions should be directed to the Business Office or the Director of Student Affairs. Financial aid is also recalculated and reduced based on the date of withdrawal. This could result in a balance due.

Financial Aid

Generally, financial aid is limited in the summer. However, you may be eligible for aid. Please see the Financial Aid Office to complete a Summer Aid Preference Form to see how taking aid in the summer will affect the rest of the school year.

Student refunds from financial aid: Some students deliberately take out more loans than are necessary to cover tuition expenses for their personal expenses while attending college. This generates a refund of excess financial aid. Refunds that are generated as a result of loans may take up to ten days to fully process through the school. All charges on a student's account will be taken into consideration before any refund is generated throughout the year. During a semester any refund check may take up to one week to process. Checks are generated on the Accounts Payable schedule. You will be notified when your check is ready. Please bring photo I.D. when you pick up your check. At the end of the term, any remaining refund check will be mailed to the permanent home address on file. Please contact the Records Office to update your address.

Independent Study

Independent study may be available with full-time faculty in all areas of the college. Any student wishing to take independent study this summer must first obtain the necessary form from the

Records Office. The summer tuition rate of \$1866.00 per credit applies to independent study as well.

Internships

Students undertaking internship credits this summer must register and pay tuition fees. Information about internships is available in the Career Development Office. Please note that internship credits added and paid for after May 24 are subject to the \$250.00 late fee.

Summer Support Areas

Degree-seeking students enrolled for multiple credits for the summer may request access to an academic support area (i.e. 3D Shop, computer labs, Library, Media Center, Print Shop, studios) that is not necessarily related to their coursework. Access may only be granted upon the approval of the director of the support area in question.

Non-Discrimination Policy

MCAD admits students of any race, color, national and ethnic origin to all the rights, privileges, programs and activities generally accorded or made available to students at the College. It does not discriminate on the basis of creed, religion, race, color, ancestry, ethnic origin, sex, affectional preference, disability, age, marital status, in the administration of its employment, educational and admissions policies, scholarship and loan programs, or other College-administered programs.

If you are interested in a full class and space has not become available by August 1, you may attempt to add the class during the five-day Add/Drop period: **August 26 – August 30, 2024.**

Credit Overloads (schedules above 18 credits per semester)

Any number of credits over 18 per semester is considered an overload. You must have a GPA of 3.0 or better and the approval of your advisor, department chair, and the Vice President of Academic Affairs to attempt an overload. Per-credit tuition charges will be added to the full-time tuition charge.

Changing Your Class Schedule After Registration

After registration, your class schedule will be available on myMCAD. If you need to make a change to your schedule, you may make changes to your own registration on myMCAD from April 29 through July 19. After the tuition due date on August 1, 2024, any changes to this schedule must be made with an Add/Drop form during the five-day Add/Drop period: **August 26 – August 30, 2024.**

The Add/Drop Period

The Add/Drop period consists of the first five class days of the semester: **August 26 – August 30, 2024.** Internship contracts, Independent Study forms, Reduced/Extended Credit petitions, Audit forms and Add/Drop forms are due (with all required signatures) by 5:00 pm on August 30. August 30 is the last day to qualify for a tuition refund on the basis of credit changes. Students may not add courses after the end of Add/Drop, except as noted below. Any course dropped after August 30 will count as a course withdrawal, and refunds for reducing credits will follow published guidelines. Check with Student Accounts for further details.

First Day of Attendance

It is particularly important that students attend the first meeting of all courses whether online, in-person, or HyFlex; failing to attend the first class can impact your enrollment in the course and can have consequences for financial aid.

Add/Drop Policy for one or two-credit classes

You can add or drop a one or two-credit class during the first week of the class. If you are not a full-time student, you will be charged for the class. Financial aid will not be altered and refunds will not be given for workshops that are dropped after the first (5) days of the current semester. You cannot change a one or two-credit class to an Audit after the regular Add/Drop period.

Costs of Course Materials

Students should budget to spend approximately \$300 per course for related materials, on average. Required materials will be listed on myMCAD within the registration information for courses, where possible. In selecting required course materials, MCAD faculty strive to select the best value materials for the lowest cost, eliminate unnecessary course materials, and allow for the maximum flexibility for student purchase options.

Withdrawals

From August 31 – November 15, 2024, you can withdraw from an individual class or classes without impacting your GPA. You will receive a notation of “W” for the class and be charged a \$30 processing fee. You may not add credits or courses after the Add/Drop period. If you wish to withdraw completely from MCAD, you must contact Jen Zuccola, Vice President of Student Affairs, and complete a Notification of Student Withdrawal form.

Return of Tuition Formula: MCAD has adopted the Federal Return of Title IV Aid Formula mandated by the Reauthorization of Higher Education Act of 1998 as its tuition return policy.
