

HENNEPIN COUNTY

LIBRARY

Hennepin County Library recognizes that art has the power to enhance the quality of life of a community; it inspires citizens and contributes to civic pride.

The Community Art Display at the Walker Library is an ongoing exhibit that features artwork from local artists. Two-dimensional works of art including: photography, painting, mural and mixed media. Also small three-dimensional works of art that can be put in a display case.

Featured two-dimensional artwork will be displayed on the wall track system. Exhibits are up for six weeks to two months. Work must be taken down within a week of the end of the exhibit. Artists will be contacted regarding date and time for hanging their work and taking down.

All two dimensional works must be framed and/or ready to hang, unless other arrangements have been made with the library. Walker Library uses the Walker art display system which contains rods and hooks that can easily be adjusted vertically and horizontally. All artists that agree to exhibit at the Walker Library will be asked to sign a Release of Liability form.

The library may refuse any work deemed inappropriate for the exhibition.

Prior to exhibition, artists are asked to submit:

- A sample of their work
- Biography
- Artist statement
- Title and date of pieces to be displayed
- Medium

No pricing may be posted.

Business cards may be located on the shelving unit next to the art wall.
