**Location: MCAD Suitcase Gallery, 4th Floor  
outside the Printshop and the Crit Space**

**Paper Trails - call for entry for students, faculty,  
staff, and alumni**

**Have you made your own handmade paper? Do you  
use handmade paper in your art practice, such as  
sculpture, bookmaking, or collage? MCAD's Paper  
Studio wants to showcase your work for an exhibit  
of papermaking work by the MCAD community for  
the upcoming North American Hand Papermaker's  
conference.**

**This will be a two-part show:**

**9/10-9/15: Large-scaled works exhibited in the  
Printshop crit space during the conference**

**9/5-10/17: Month-long exhibition in the Suitcase  
Gallery for small-scale pieces**

**This is a great opportunity to highlight your unique  
paper practice with North American papermakers  
during their conference, held in Minneapolis  
September 11-14, 2025.**
