

# Made at MCAD

An Annual All-Student Juried Exhibition

March 15–April 21, 2019

## GUIDELINES FOR SUBMISSION

*Made at MCAD* is an annual juried all-student exhibition. The exhibition is open to all current MCAD students (all degrees and all divisions). Work submitted must have been made while the applicant was enrolled as a student at MCAD. Any medium is acceptable, including time-based works (e.g. film, video, websites, and animation).

- + Each student can submit up to three individual/collaborative works or one series up to eight pieces.
- + There is no size limit, but students are advised to contact the Gallery in advance if submitting excessively large or difficult-to-install work. Artwork does not need to be framed.
- + Gallery staff can work with students to hang work with glass, tape, and/or magnets if desired.
- + If submitting installation work, submit documentation of the work that best represents your concept on a CD or USB. Samples of film, video, and animation should be two minutes in length.
- + No artist statement necessary.
- + Please note that departmental Merit Award reviews might overlap with the jurying process and the exhibition. Artwork installed on March 6 or 7 when the jurors are on campus can be submitted—please provide image and location of artwork. However, if artwork is accepted, once it is installed for *Made at MCAD* it cannot be removed from the exhibition. Please plan accordingly.
