MINNEAPOLIS COLLEGE OF ART AND DESIGN TDA SRA

SUMMARY OF PLAN PROVISIONS

INTRODUCTION TO YOUR PLAN

Minneapolis College of Art and Design TDA SRA ("Plan") has been adopted to provide you with the opportunity to save for retirement on a tax advantaged basis. This Plan is a type of retirement plan known as a 403(b) plan.

This Summary of Plan Provisions contains information regarding when you may become eligible to participate in the Plan, your Plan benefits, your distribution options, and many other features of the Plan. However, regardless of anything in this Summary to the contrary, no contributions will be made to the Plan as of December 1, 2022. All amounts in your account (adjusted for any investment gains or losses), will be held for you until you are entitled to benefits under the Plan. You should take the time to read this Summary to understand the features of the Plan.

This Summary addresses the most common questions you might have regarding the Plan. If this Summary does not answer all of your questions, please contact the Plan Administrator or other Plan representative. The Plan Administrator is generally responsible for responding to questions and making determinations related to the administration, interpretation, and application of the Plan, unless those responsibilities have been delegated to other parties. The name of the Plan Administrator can be found at the end of this Summary in the Article entitled "General Information about the Plan."

This Summary describes the Plan's benefits and obligations as contained in the legal Plan document, which governs the operation of the Plan. The Plan document is written in much more technical and precise language and is designed to comply with applicable legal requirements. If the non-technical language in this Summary and the technical, legal language of the Plan document conflict, the Plan document always governs. If you wish to receive a copy of the legal Plan document, please contact the Plan Administrator.

This Summary describes the current provisions of the Plan. The Plan is subject to federal laws, the Internal Revenue Code and other federal and state laws which might affect your rights. The provisions of the Plan are subject to revision due to a change in laws or due to pronouncements by the Internal Revenue Service (IRS). Your Employer may also amend or terminate this Plan. The Plan Administrator will notify you if the provisions of the Plan that are described in this Summary change.

Investment arrangement. The investment products you select (known as investment arrangements) may also affect the provisions of the Plan. In some cases the investment arrangements may limit your options under the Plan. This summary does not address the provisions of the various investment arrangements. You should contact the Plan Administrator or the investment provider if you have questions about the provisions of your specific investment arrangements.

ARTICLE I PARTICIPATION IN THE PLAN

How do I participate in the Plan?

You can begin participating on your date of hire.

Excluded Employees. There are no Excluded Employees. You are eligible to make elective deferrals commencing on your date of hire.

ARTICLE II EMPLOYEE CONTRIBUTIONS

What are elective deferrals and how do I contribute them to the Plan?

Elective Deferrals. As a Participant under the Plan, you may elect to reduce your compensation by a specific percentage and have that amount contributed to the Plan on a pre-tax basis as an elective deferral. Your taxable income is reduced by the elective deferral contribution so you pay less in federal income taxes (however, the amount you defer is still counted as compensation for purposes of Social Security taxes). Later, when the Plan distributes the elective deferrals and earnings, you will pay the taxes on those elective deferrals and the earnings. Therefore, federal income taxes on the elective deferral contributions and on the earnings are only postponed. Eventually, you will have to pay taxes on these amounts. However, you should note that effective as of December 1, 2022, this Plan is a frozen plan, and no contributions will be made to the Plan after that date.

Elective Deferrals. As a Participant under the Plan, you may elect to reduce your compensation by a specific percentage or dollar amount and have that amount contributed to the Plan as an elective deferral. There are two types of elective deferrals: Pre-Tax Deferrals and Roth Deferrals. For purposes of this Summary, "elective deferrals" generally means both Pre-Tax Deferrals and Roth Deferrals. Regardless of the type of elective deferral you make, the amount you defer is counted as compensation for purposes of Social Security taxes. However, you should note that effective as of December 1, 2022, this Plan is a frozen plan, and no contributions will be made to the Plan after that date.

Pre-Tax Deferrals. If you elect to make Pre-Tax Deferrals, then your taxable income is reduced by the deferral contributions so you pay less in federal income taxes. Later, when the Plan distributes the deferrals and earnings, you will pay the taxes on those deferrals and the earnings. Therefore, with a Pre-Tax Deferral, federal income taxes on the elective deferral contributions and on the earnings are only postponed. Eventually, you will have to pay taxes on these amounts.

Roth Deferrals. If you elect to make Roth Deferrals, the elective deferrals are subject to federal income taxes in the year of elective deferral. However, the elective deferrals and, in certain cases, the earnings on the elective deferrals are not subject to federal income taxes when distributed to you. In order for the earnings to be tax free, you must meet certain conditions. See "What are my tax consequences when I receive a distribution from the Plan?" below.

What are rollover contributions?

Rollover contributions. Subject to the provisions of your investment arrangements and at the discretion of the Plan Administrator, if you are a Participant in the Plan who is also an employee, you might be permitted to deposit into the Plan distributions you have received from other plans and certain IRAs. Such a deposit is called a "rollover" contribution and might result in tax savings to you. You may ask the Plan Administrator of the other plan or the trustee or custodian of the IRA to directly transfer (a "direct rollover") to this Plan all or a portion of any amount that you are entitled to receive as a distribution from such plan. Alternatively, you may elect to deposit any amount eligible to be rolled over within 60 days of your receipt of the distribution. You should consult qualified counsel to determine if a rollover is in your best interest.

Rollover account. Your rollover contribution will be accounted for in a "rollover account." You will always be 100% vested in your "rollover account" (see the Article in this Summary entitled "Vesting"). Rollover contributions will be affected by any investment gains or losses.

Withdrawal of rollover contributions. You may withdraw the amounts in your "rollover account" at any time.

ARTICLE III ACCOUNT BALANCE

How is the money in the Plan invested?

The Plan assets may be invested in mutual funds and Annuity Contracts. Contact the Plan Administrator for further details regarding permissible investments.

You will be able to direct the investment of your Plan account. The Plan Administrator will provide you with information on the investment choices available to you, the frequency with which you can change your investment choices and other information. If you do not direct the investment of your Plan account, then your account will be invested in accordance with the default investment alternatives your Employer establishes under the Plan. These default investments will be made in accordance with specific rules under which the fiduciaries of the Plan, including your Employer and the Plan Administrator, will be relieved of any legal liability for any losses resulting from the default investments. The Plan Administrator has or will provide you with a separate notice which details these default investments and your right to switch out of the default investment if you so desire.

When you direct investments, your account is segregated for purposes of determining the earnings or losses on these investments. Your account does not share in the investment performance for other Participants who have directed their own investments.

You should remember that the amount of your benefits under the Plan will depend in part upon your choice of investments. Gains as well as losses can occur and your Employer and the Plan Administrator will not provide investment advice or guarantee the performance of any investment you choose.

Periodically, you will receive a benefit statement that provides information on your account balance and your investment returns. It is your responsibility to notify the Plan Administrator of any errors you see on any statements within 30 days after the statement is provided or made available to you.

Will Plan expenses be deducted from my account balance?

Expenses allocated to all accounts. Subject to the terms of the investment arrangements funding the plan, the Plan might pay some or all Plan related expenses except for a limited category of expenses which the law requires your Employer to pay. The category of expenses which your Employer must pay are known as "settlor expenses." Generally, settlor expenses relate to the design, establishment or termination of the Plan. See the Plan Administrator for more details. The expenses charged to the Plan might be charged pro rata to each Participant in relation to the size of each Participant's account balance or might be charged equally to each Participant. In addition, some types of expenses might be charged only to some Participants based upon their use of a Plan feature or receipt of a Plan distribution. Finally, the Plan might charge expenses in a different manner as to Participants who have terminated employment with your Employer versus those Participants who remain employed with your Employer.

Terminated employee. After you terminate employment, subject to the terms of the investment arrangements funding the Plan, your Employer reserves the right to charge your account for your pro rata share of the Plan's administration expenses, regardless of whether your Employer pays some of these expenses on behalf of current employees.

Expenses allocated to individual accounts. There are certain other expenses that might be paid just from your account subject to the terms of the investment arrangements funding the Plan. These are expenses that are specifically incurred by, or attributable to, you. For example, if you are married and get divorced, the Plan might incur additional expenses if a court mandates that a portion of your account be paid to your ex-spouse. These additional expenses might be paid directly from your account (and not the accounts of other Participants) because they are directly attributable to you under the Plan. The Plan Administrator will inform you when there will be a charge (or charges) directly to your account.

Your Employer might, from time to time, change the manner in which expenses are allocated.

ARTICLE IV VESTING

What is my vested interest in my account?

You are always 100% vested in all of your Plan accounts.

ARTICLE V DISTRIBUTIONS PRIOR TO TERMINATION OF EMPLOYMENT

The Individual Agreements governing the investment options that you selected for your Plan contributions might contain additional limits on when you can take a distribution, the form of distribution that is available as well as your right to transfer among approved investment options. Please review both the following information in this Summary of Plan Provisions and the terms of your annuity contracts or custodial agreements before requesting a distribution. Contact your Employer or the investment vendor if you have questions regarding your distribution options.

Can I withdraw money from my account while working?

In-service distributions. You may be entitled to receive an in-service distribution. However, this distribution is not in addition to your other benefits and will therefore reduce the value of the benefits you will receive at retirement. This distribution is made at your election subject to possible administrative limitations on the frequency and actual timing of such distributions. Regardless of the provisions below, you may withdraw amounts from your rollover account at any time.

Conditions. Generally, you may receive a distribution prior to termination of employment provided you satisfy any of the following conditions:

- you have attained age 59 1/2.
- you have incurred a financial hardship as described below.

Qualified reservist distributions. If you: (i) are a reservist or National Guardsman; (ii) were/are called to active duty after September 11, 2001; and (iii) were/are called to duty for at least 180 days or for an indefinite period, you may take a distribution from the Plan while you are on active duty, regardless of your age. The 10% premature federal distribution penalty tax, normally applicable to Plan distributions made before you reach age 59 1/2, will not apply to the distribution. You also may repay the distribution to an IRA, without limiting amounts you otherwise could contribute to the IRA, provided you make the repayment within 2 years following your completion of active duty.

Distributions for deemed severance of employment. If you are on active military duty for more than 30 days, then the Plan generally treats you as having severed employment for purposes of receiving a distribution from the Plan. If you request a distribution on account of this deemed severance of employment, then you are not permitted to make any contributions to the Plan for six (6) months after the date of the distribution.

Can I withdraw money from my account in the event of financial hardship?

Hardship distributions. You may withdraw money on account of financial hardship if you satisfy certain conditions, subject to the rules and conditions set forth in the investment arrangements. This hardship distribution is not in addition to your other benefits and will therefore reduce the value of the benefits you will receive upon termination of employment or other event entitling you to distribution of your account balance.

Qualifying expenses. A hardship distribution may be made to satisfy certain immediate and heavy financial needs that you have. A hardship distribution may only be made for payment of the following:

- Expenses for medical care (described in Section 213(d) of the Internal Revenue Code) for you, your spouse, your dependents or your beneficiary.

- Costs directly related to the purchase of your principal residence (excluding mortgage payments).
- Tuition, related educational fees, and room and board expenses for the next twelve (12) months of post-secondary education for you, your spouse, your children, your dependents or your beneficiary.
- Amounts necessary to prevent your eviction from your principal residence or foreclosure on the mortgage of your principal residence.
- Payments for burial or funeral expenses for your deceased parent, spouse, children, dependents or beneficiary.
- Expenses for the repair of damage to your principal residence (that would qualify for the casualty loss deduction under Internal Revenue Code) without regard to the limit on casualty losses that are deductible for income tax purposes under IRC 165(h).
- Expenses for disasters arising from federally declared disasters, such as your expenses and losses (including loss of income) attributable to that disaster, provided your principal residence or place of employment was in an area FEMA designates as qualifying for individual assistance.

Beneficiary Hardship. A beneficiary is someone you designate under the Plan to receive your death benefit who is not otherwise your spouse or dependent.

Conditions. If you have any of the above expenses, a hardship distribution can only be made if you certify and agree that all of the following conditions are satisfied:

- (a) The distribution is not in excess of the amount of your immediate and heavy financial need. The amount of your immediate and heavy financial need may include any amounts necessary to pay any federal, state, or local income taxes or penalties reasonably anticipated to result from the distribution; and
- (b) You have obtained all distributions, other than hardship distributions, available under all plans that your Employer maintains; and
- (c) You certify (via a form for that purpose) that you have insufficient cash or other liquid assets reasonably available to satisfy the need.

Restricted Amounts. Generally, the only amounts that can be distributed to you on account of a hardship from these Restricted Accounts are your elective deferrals (earnings on your elective deferrals cannot be withdrawn for a hardship). Ask the Plan Administrator if you need further details.

ARTICLE VI DISTRIBUTIONS UPON TERMINATION OF EMPLOYMENT

To the extent permitted in the investment arrangements, the provisions in this Article apply to distributions from the Plan following termination of employment.

When can I get money out of the Plan?

You might be able to receive a distribution of some or all of your accounts in the Plan when you terminate employment with your Employer. The rules regarding the payment of death benefits to your beneficiary are described in the Article in this Summary entitled "Distributions upon Death."

If you terminate employment, you will be entitled to a distribution within a reasonable time after your termination. You must consent to this distribution. (See the question "How will my benefits be paid?" for a further explanation of how benefits are paid from the Plan.)

How will my benefits be paid to me?

Distribution methods. Your benefits will be paid to you under any method permitted under your investment arrangements.

Required beginning date. There are rules that require that certain minimum distributions be made from the Plan. Distributions are required to begin not later than the April 1st following the end of the year in which you reach age 70 1/2 or terminate employment, whichever is later. Contact the Plan Administrator if you think you might be affected by these rules.

ARTICLE VII DISTRIBUTIONS UPON DEATH

What happens if I die while working for the Employer?

If you die while still employed by the Employer, then your account balance will be used to provide your beneficiary with a death benefit.

Who is the beneficiary of my death benefit?

You may designate a beneficiary of your choosing.

Divorce. If you have designated your spouse as your beneficiary for all or a part of your death benefit, then upon your divorce, the designation is no longer valid. This means that if you do not select a new beneficiary after your divorce, then you are treated as not having a beneficiary for that portion of the death benefit.

No beneficiary designation. Subject to the terms of the investment arrangements, at the time of your death, if you have not designated a beneficiary or the individual named as your beneficiary is not alive, then 100% of your death benefit will be paid to your estate.

How will the death benefit be paid to my beneficiary?

Lump-sum distribution. If the death benefit payable to your beneficiary does not exceed \$5,000, then the benefit may only be paid as a lump sum.

Distribution method. If the death benefit payable to your beneficiary exceeds \$5,000, the benefit may be paid under any method permitted under your investment arrangements. The beneficiary may choose among the then available distribution methods unless you elected the death benefit distribution method prior to your death.

When must payments be made to my beneficiary (required minimum distributions)?

If your designated beneficiary is a person (other than your estate or most trusts) then minimum distributions of your death benefit must generally begin within one year of your death and must be paid over a period not extending beyond your beneficiary's life expectancy. If your spouse is the beneficiary, the start of payments may be delayed until the year in which you would have attained age 70 1/2. Generally, if you die before you are required to begin minimum distributions (which for most people is shortly after the later of age 70 1/2 or retirement) and your beneficiary is not a person, then your entire death benefit must be paid within five years after your death. Some investment products may allow a person to use this five-year rule. See the Plan Administrator for further details.

What happens if I terminate employment, commence required minimum distribution payments and then die before receiving all of my benefits?

Your beneficiary will be entitled to your remaining vested interest in the Plan at the time of your death. Payments must generally come out at least as rapidly as the required minimum distributions. See the Plan Administrator for more information regarding the timing and method of payments that apply to your beneficiary.

**ARTICLE VIII
TAX TREATMENT OF DISTRIBUTIONS**

What are my tax consequences when I receive a distribution from the Plan?

Generally, you must include any Plan distribution in your taxable income in the year in which you receive the distribution. The tax treatment may also depend on your age when you receive the distribution. Certain distributions made to you when you are under age 59 1/2 could be subject to an additional federal 10% penalty tax.

Can I elect a rollover to reduce or defer tax on my distribution?

Rollover or Direct Transfer. You may reduce, or defer entirely, the tax due on your distribution through use of one of the following methods:

- (a) **60-day rollover.** You may roll over all or a portion of the distribution to an Individual Retirement Account or Annuity (IRA) or another employer retirement plan willing to accept the rollover. This will result in no tax being due until you begin withdrawing funds from the IRA or other qualified employer plan. The rollover of the distribution, however, **MUST** be made within strict time frames (normally, within 60 days after you receive your distribution). Under certain circumstances, all or a portion of a distribution (such as a hardship distribution) may not qualify for this rollover treatment. In addition, most distributions will be subject to mandatory federal income tax withholding at a rate of 20%. This will reduce the amount you actually receive. For this reason, if you wish to roll over all or a portion of your distribution amount, then the direct rollover option described in paragraph (b) below would be the better choice.
- (b) **Direct rollover.** For most distributions, you may request that a direct transfer (sometimes referred to as a direct rollover) of all or a portion of a distribution be made to either an Individual Retirement Account or Annuity (IRA) or another employer retirement plan willing to accept the transfer. A direct transfer will result in no tax being due until you withdraw funds from the IRA or other employer plan. Like the 60-day rollover, under certain circumstances all or a portion of the amount to be distributed may not qualify for this direct transfer. If you elect to actually receive the distribution rather than request a direct transfer, then in most cases 20% of the distribution amount will be withheld for federal income tax purposes.

Tax Notice. WHENEVER YOU RECEIVE A DISTRIBUTION THAT IS AN ELIGIBLE ROLLOVER DISTRIBUTION, THE PLAN ADMINISTRATOR WILL DELIVER TO YOU A MORE DETAILED EXPLANATION OF THESE OPTIONS. HOWEVER, THE

RULES WHICH DETERMINE WHETHER YOU QUALIFY FOR FAVORABLE TAX TREATMENT ARE VERY COMPLEX. YOU SHOULD CONSULT WITH QUALIFIED TAX COUNSEL BEFORE MAKING A CHOICE.

**ARTICLE IX
LOANS**

Is it possible to borrow money from the Plan?

Yes, it is possible to borrow money from the Plan. Loans are permitted in accordance with the Plan Loan Policy attached to this Summary and subject to the limitations of your investment arrangements.

**ARTICLE X
CLAIMS PROCEDURES**

What happens if a domestic relations order is issued with respect to my benefits in the Plan?

The Plan Administrator must honor a domestic relations order (DRO). A DRO is defined as a decree or order issued by a court that obligates you to pay child support or alimony, or otherwise allocates a portion of your assets in the Plan to your spouse, former spouse, children or other dependents (referred to as alternate payees). If a DRO is received by the Plan Administrator, all or a portion of your benefits may be used to satisfy that obligation. The Plan Administrator will determine the validity of any domestic relations order received. You and your beneficiaries can obtain from the Plan Administrator, without charge, a copy of the procedure used by the Plan Administrator to determine whether a domestic relations order is valid.

Can the Employer amend the Plan?

Your Employer has the right to amend the Plan at any time. In no event, however, will any amendment authorize or permit any part of the Plan assets to be used for purposes other than the exclusive benefit of Participants or their beneficiaries. Additionally, no amendment will cause any reduction in the amount credited to your account.

What happens if the Plan is discontinued or terminated?

Although your Employer intends to maintain the Plan indefinitely, your Employer reserves the right to terminate the Plan at any time. Upon termination, no further contributions will be made to the Plan and all amounts credited to your accounts will continue to be 100% vested. Your Employer will direct the distribution of your accounts in a manner permitted by the Plan as soon as practicable. You will be notified if the Plan is terminated.

How do I submit a claim for Plan benefits?

Benefits will generally be paid to you and your beneficiaries without the necessity for formal claims. Contact the Plan Administrator or investment provider if you are entitled to benefits or if you think an error has been made in determining your benefits. Any such request should be in writing.

If the Plan Administrator determines the claim is valid, then you will receive a statement describing the amount of benefit, the method or methods of payment, the timing of distributions and other information relevant to the payment of the benefit.

What if my benefits are denied?

Your request for Plan benefits will be considered a claim for Plan benefits, and it will be subject to a full and fair review. If your claim is wholly or partially denied, the Plan Administrator will provide you with a written or electronic notification of the Plan's adverse determination.

**ARTICLE XI
GENERAL INFORMATION ABOUT THE PLAN**

There is certain general information which you may need to know about the Plan. This information has been summarized for you in this Article.

Plan Name

The full name of the Plan is Minneapolis College of Art and Design TDA SRA.

Plan Number

The Employer has assigned Plan Number 002 to your Plan.

Plan Effective Dates

This Plan was originally effective on July 1, 1988. The amended and restated provisions of the Plan become effective on December 1, 2022.

You should note, however, that effective as of December 1, 2022, this Plan is a frozen plan, and no contributions will be made to the plan after that date.

Other Plan Information

Plan Year. The Plan's records are maintained on a twelve-month period of time. This is known as the Plan Year. The Plan Year ends on December 31st.

The Plan will be governed by the laws of the state of the Employer's principal place of business to the extent not governed by federal law.

Employer Information

The Employer's name, address, business telephone number and identification number are:

Minneapolis College of Art and Design
2501 Stevens Ave. South
Minneapolis, Minnesota 55404-4347
612-874-3798
41-1607453

Plan Administrator Information

The Plan Administrator is responsible for the day-to-day administration and operation of the Plan. For example, the Plan Administrator maintains the Plan records, including your account information, provides you with the forms you need to complete for Plan participation, and directs the payment of your account at the appropriate time. If you have any questions about the Plan or your participation, you should contact the Plan Administrator. The Plan Administrator may designate other parties to perform some duties of the Plan Administrator, and some duties are the responsibility of the investment provider(s) to the Plan.

The name, address and business telephone number of the Plan's Administrator are:

Minneapolis College of Art and Design
2501 Stevens Ave. South
Minneapolis, Minnesota 55404-4347
612-874-3798

**APPENDIX
PLAN LOAN POLICY**

To the extent permitted by the Investment Arrangements in which the Plan assets are invested, Minneapolis College of Art and Design TDA SRA permits loans to be made to Participants pursuant to a written loan policy. The Individual Agreements governing the investment options that you selected for your Plan contributions may contain additional limits on when you can take a loan. Please review both the following information in this Loan Policy and your annuity contracts or custodial agreements before requesting a loan. Contact your Employer or the investment vendor if you have questions regarding your loan options.

The Plan Administrator is authorized to administer the Participant loan policy. All applications for loans will be made by a Participant to the Plan Administrator (or the Plan Administrator's delegate) on forms which the Plan Administrator will make available for such purpose.

1. LOAN APPLICATION/BORROWER QUALIFICATION

- Loans are available to Participants on a reasonably equivalent basis. However, if you terminate employment, you will generally not be entitled to obtain a loan. A Participant must apply for each loan with an application which specifies the amount of the loan desired and the requested duration for the loan. The Plan Administrator may request additional information before approving a loan.
- All loan applications will be considered by the Plan Administrator within a reasonable time after the Participant makes formal application.
- The loan will be treated as a directed investment of the borrower's Account.

2. LOAN LIMITATIONS. With regard to any loan made pursuant to this loan policy, the following rule(s) and limitation(s) will apply, in addition to such other requirements set forth in the Plan:

- Loans to a Participant will not be approved in an amount which exceeds 50% of his or her nonforfeitable account balance. The maximum aggregate dollar amount of loans outstanding to any Participant may not exceed \$50,000, reduced by the excess of the Participant's highest outstanding Participant loan balance during the 12-month period ending on the date of the loan over the Participant's current outstanding Participant loan balance on the date of the loan.
- No loan in an amount less than \$1,000 will be granted to any Participant for any single loan.
- A Participant can have 3 loan(s) currently outstanding from the Plan.
- Loan refinancing is not permitted.

3. ACCOUNT RESTRICTIONS. With regard to loans made pursuant to this loan policy (subject to the investment arrangements), the following rules apply:

- Loans may only be made from accounts attributable to:
 - Pre-tax Elective Deferrals
 - Rollovers from other plans

4. EVIDENCE AND TERMS OF LOAN. The Plan Administrator will document every loan in the form of a promissory note signed by the Participant for the face amount of the loan, according to the following:

- Any loan granted or renewed under this policy will bear a reasonable rate of interest.

The interest rate will be fixed for the duration of the loan. However, with respect to amounts invested with TIAA, the interest rate for your loan will be determined as described below:

- Retirement Plan Loans from mutual funds or annuity contract (RPL) - The interest rate will be fixed for the term of the loan and will be equal to the Federal Reserve Board Bank prime loan rate plus 1 percent at the time of the loan origination.
- The loan must provide at least quarterly payments under a level amortization schedule. If you are currently employed by the Employer, the Plan Administrator will require you to enter into either a payroll deduction or an ACH agreement or other repayment method agreed to by the investment arrangement to repay the loan.
- The Plan Administrator will fix the term for repayment of any loan; however, in no instance may the term of repayment be greater than five years, unless the loan qualifies as a home loan. A "home loan" is a loan used to acquire a dwelling unit which, within a reasonable time, you will use as a principal residence. The term for a home loan will be no more than 10 years.

- There might be a charge to your Account for expenses, if any, directly related to the loan set up, annual maintenance, administrative charges, and collection of the note.
- A loan, if not otherwise due and payable, might be due and payable on your date of termination of employment with the Employer as stated in the promissory note unless directly rolled over (if otherwise permitted) to another employer's plan.
- A loan, if not otherwise due and payable, is due and payable on termination of the Plan, notwithstanding any contrary provision in the promissory note. Nothing in this loan policy restricts your Employer's right to terminate the Plan at any time.

You should note that the law treats the amount of any loan (other than a "home loan") not repaid five years after the date of the loan as a taxable distribution on the last day of the five-year period or, if sooner, at the time the loan is in default.

5. SECURITY FOR LOAN. The Plan will require that you provide security before a loan is granted. For this purpose, the Plan will consider your interest under the Plan (account balances) to be adequate security. However, in no event will more than 50% of your vested interest in the Plan (determined immediately after origination of the loan) be used as security for the loan. Generally, it will be the policy of the Plan not to make loans which require security other than your vested interest in the Plan. However, if additional security is necessary to adequately secure the loan, then the Plan Administrator will require that such security be provided before the loan will be granted.
6. FORM OF PLEDGE. The pledge and assignment of your account balances will be in the form prescribed by the Plan Administrator.
7. LEAVE OF ABSENCE/SUSPENSION OF PAYMENT. The Plan Administrator will suspend loan repayments for the period of a military leave of absence.
8. PAYMENTS AFTER LEAVE OF ABSENCE. When payments resume following a payment suspension in connection with a leave of absence authorized above, if applicable, you must select one of the following methods to repay the loan, to the extent permitted by the investment provider, plus accumulated interest:
 - You will increase the amount of the required installments to an amount sufficient to amortize the remaining balance of the loan, plus accrued interest, over the remaining term of the loan.
 - You will pay a balloon payment of the remaining unpaid principal and interest, at the conclusion of the term of the loan as determined in the promissory note.
 - You may extend the maturity of the loan and re-amortize the payments over the remaining term of the loan. In no event will the amount of the adjusted installment payment be less than the amount of the installment payment provided under the promissory note. The revised term of the loan will not exceed the maximum term permitted above, augmented by the time you were in United States military service.
9. DEFAULT. The Plan Administrator will treat a loan as in default if:
 - any scheduled payment remains unpaid beyond the last day of the calendar quarter following the calendar quarter in which the Participant missed the scheduled payment

Upon default, you will have the opportunity to repay the loan, resume current status of the loan by paying any missed payment plus interest or, if distribution is available under the Plan and investment arrangements, request distribution of the note. If the loan remains in default, the Plan Administrator will offset your vested account balances by the outstanding balance of the loan to the extent permitted by law. The Plan Administrator will treat the note as repaid to the extent of any permissible offset. Pending final disposition of the note, you remain obligated for any unpaid principal and accrued interest.

10. FEES. You may be charged for Plan expenses associated with the loan. The Plan Administrator will notify of you the amount of any fees.
